

PTO Meeting: Jan 13th 2:15pm

Called to order 2:25pm

Susan Penrod talked about:

50 year celebration of Spring Creek being a school!

contacted Kerry Delf at the district, they do not do anything on a district level but the school can do something on their own.

Need to promote it with the whole community

Group of people who attended 1st-5th want to be a part of it.

Maybe involved in the carnival this year- provide cupcakes/cake at carnival

Display of old pictures.

Reader Board: only have received one bid so far, need to get 2 more

1st bid was \$4,000 higher than estimated

Susan to ask Larry about getting other names

PTO has \$12,000 saved for it, but looks like it will be more than that.

Needs to be done during a school break because of tear up of driveway.

Spring Break would be a good goal to get it completed.

Kendall Auto Money- won \$2,000 from last term of voting

Should be getting points for a couple people who have purchased a car there.

Maybe parent donations- "we are \$2,000 short from getting our reader board, donate!"

ODE- Focus School- update:

77 focus schools/ title-one schools, classified as the bottom 15% of Oregon schools

Top of list is level 1- no progress Bottom of the list is #77 lots of progress

We are #68 on the list - making progress now level 3 growth/improvement average level 3, still have 2.5 years left but moving faster than expected to get out of focus school range

McTeacher Night- February 6th

Spring Creek ONLY yay!- Nancy Fischer is organizer-

Flyers will be coming up in the next week

4:30pm-7:30pm

Sign-up sheet to staff to work it

percentage of sales we get for the school - cash!

Get the word out to all parents!

Spring creek received a technology award from Apple. Award Ceremony on the 22nd of the month at the Board meeting at the district office. Apple does not give these awards to elementary school very often, so pretty cool that we got one!

Budget Report by Heather:

\$6173 brought in by cookie dough

\$3834 paid to company

Total profit: \$2338

Giving Tree: had more kids to buy for but stayed under budget

Penquin Patch: made \$168.84 - we don't do it to make money

School Supply Boxes: will get price quotes for next year, a way for parents to purchase school supply kits and have them delivered to the school, cheaper than shopping on their own!

Meeting Ended 3:00pm
