

## Title One Corner

We had another successful Title Family Involvement in early March, our time honored **DUCK INTO A BOOK** evening. Thank you to all who attended and volunteered. We had over 170 participants this year. Students met University of Oregon athletes and had a fun time while promoting literacy. This year we had classroom pictures taken with the UO Duck mascot and several students won free books in the raffle.

Students in grade 3-5 have been working very hard to finish their state testing in reading and math. In Title class several groups have been doing Reader's Theater to practice fluency. We are having a fun time and several kids are ready for acting school! The last day of Title groups this year will be June 12<sup>th</sup>. We will have our annual celebration on Monday, June 19<sup>th</sup>. Our theme this year is "Fiesta" and students will have invitations soon. Please feel free to join us if you are able.

Title summer school takes place from July 31 to August 17<sup>th</sup> this year for grades Kindergarten through fourth. Summer school is by invitation only. Thank you to all families who returned the registration materials by May 8. Summer school can make a big difference in children's retention of the progress they have made throughout the school year. There are still open spaces, if you need to return your materials late. All registration materials are processed through the District office, but you can return information to me or the homeroom teacher as well.

Our Title program continues to need any gently used children's books (particularly in Kindergarten and first grade levels) and small toys for prizes. Please do some cleaning and sorting this summer! If you'd like to donate any, please drop off at room 1 or the office. This year we have been able to give away books with audio cassettes and/or CDs too.
