

Title One Corner

Hello Spring Creek Families! It was great to see all the family participation at our last two events, Duck Into a Book and the Art Show. What a wonderful way to start spring and celebrate. If you are able, please be involved in our first Career Day on June 5th. More information will be sent soon.

Title **Summer School** will be available this year from July 8th to August 1st. If you have not received an invitation yet, please let me or your child's classroom teacher know and we will get the materials to you right away. Summer school is so important so students do not lose what they have learned. I have seen it be beneficial for many students over the years. If your child is not able to attend summer school, please be sure to read, read, read. If you would like some materials, I can provide those as well.

The last day of regular title classes is Thursday, June 6th. Our end of the year party will be on Thursday, June 13th in room 1 and outside, weather permitting. The times and grade levels are below. Please feel welcome to come join your children and celebrate all our hard work and progress this year.

This year title progress reports will be sent with students on the last day of school; whereas the regular report card will be mailed home by office staff.

I want to take this opportunity to let you know that I will be retired as of June 30, 2019. I've been a teacher for 33 years and started at the age of 21. It's been a pleasure to work with Spring Creek families for these last 7 years. I'm honored to be a Panda and I'm sure I'll be back volunteering in some capacity. I know that I will miss seeing your children, promoting reading and touching our future. I'll be letting the students know on our last day of title groups.

A new title teacher has been hired and will be announced before school starts in the fall. Next year we will no longer have Amanda Clark as an assistant in the program. She will continue to work at Spring Creek though. Suzie Johnson will continue in the title program with more hours than this year. She will be an asset, especially for the continuity for students.

Please continue to encourage your children to read and feel free to use me as a resource for questions and materials. You can contact me by calling Spring Creek at 541-790-4801 or mitchell@4j.lane.edu.

Have a great summer and remember to read, read, read!
